

ART CONTEST

We know there are a lot of talented artists out there! We've seen your work. Now, we want to celebrate it by hosting the Pops Art Contest!

If you've been following the journey of Pops The Triceratops, you know about world-renowned paleoartist Andrey Atuchin. Through photos, 3D modeling, sculpting and painting, Atuchin has brought Pops to life.

Now, we want to see your artistic portrayal of Pops. Draw, paint, sculpt, or build your version of Pops, and email us your finished work to be included in our Pops Art Contest. Be as creative as you want, but your piece must feature a Triceratops.

All ages are welcome to participate and full details can be found on the Pops The Triceratops section at www.discoverweld.com.

Judges for this contest will include: [Dr. Joe Serlich](#), Curator of Dinosaurs at the Denver Museum of Nature & Science; Paleoartist [Andrey Atuchin](#); [Terri DeMoney](#) and [Jerri Gustafson](#), daughters of Roland "Sonny" Mapelli.

Entries accepted now; deadline is 7/2/21. Email a photo of your entry to pops@discoverweld.com. Winners will be featured on Pops' social media!
